Sque Walking. Weston, the pedestrian, accomplished yesterday the remarkable feat of walking fitty miles in nine hours fortyone minutes and thirty-eight seconds, the last half mile being walked buckwards. Though there was nothing very exciting about the walking itself, still we look upon it as a feature of no small magnitude in the programme of the Fair. He com-menced walking at 7 o'clock, yesterday morning, and at 14 minutes and 2 second to 5 o'clock, in the afternoon, had actually walked fifty miles. This is said to be the best time ever made in America. The walk ended. Mr. Weston ascended the music stand, and after making a few remarks said that if any enterprising young man telt in elined to take walking lessons he give him the first one from there to the La nier Aouse. He looked as fresh as though walked off very nimbly for his boarding
